SECTION 4 – OFFERS

4.01 Confidentiality of Offers

- (a) Unless otherwise instructed by the seller in a completed Irrevocable Direction Regarding Presentation of Offers form signed by the seller:
 - (i) offers must be presented to the seller without delay; and

- (d) Any irrevocable direction by a seller to delay presentation of offers must be complied with by the Listing Brokerage. None of the specifics or terms of any offer received by the Listing Brokerage during the delay of presentation period may be communicated to the seller until the expiry of the delayed presentation period even though the offer may meet or exceed the list price or the offer may be stated to expire prior to the delayed presentation period.
- (e) Unless otherwise instructed by the seller in writing, the Listing Brokerage shall without delay make the seller's decision on the offer known in writing to the Cooperating Brokerage that submitted the offer. A copy of the seller's written instruction shall be provided to the Cooperating Brokerage upon request.

Unless otherwise instructed by the seller in a completed Irrevocable Direction Regarding Presentation of Offers form signed by the seller, the Cooperating Brokerage submitting the counter-offer shall have the right to be present during the presentation.

4.04 Multiple Offers

In the event that the Listing Brokerage has more than one written offer to be presented, the following procedures shall be adhered to:

- (a) unless otherwise instructed by the seller in writing, the Listing Brokerage shall, prior to any offer being presented, inform the other Cooperating Brokerages involved of the existence of the other offers or counter-offers, without disclosing their specific terms and conditions, provided, however, that should all but one offer or counter-offer be withdrawn prior to presentation resulting in there no longer being more than one written offer to be presented, the Listing Brokerage must so advise the remaining Cooperating Brokerage prior to presentation of their offer;
- (b) the Listing Brokerage should present each competing offer and counter-offer to the seller in the order in which they were received;
- (c) the Cooperating Brokerage submitting the offer or counter-offer may be present, unless otherwise instructed by the seller in a completed Irrevocable Direction Regarding Presentation of Offers form signed by the seller, only during the presentation of their particular offer or counter-offer and then shall withdraw from the premises but hold themselves available while the other offers and counter-offers are being presented in a like manner;
- (d) the Listing Brokerage shall ensure that all offers and counter-offers are presented up until the time an offer has actually been accepted (NOTE: Listing Brokerages are required to notify the seller of all offers up to the time of completion.);
- (e) after all offers and counter-offers have been presented, the Listing Brokerage shall consult in private with the seller (NOTE: Subject to any limitations to which the seller has agreed, the Listing Brokerage has a responsibility to give the seller their proper recommendations without prejudice to any particular offer and always in the best interest of the seller.); and

At the time of the acceptance of any offer, or in the event that all offers have been rejected, the Listing Brokerage shall have the completed Disclosure of Multiple Offers Presented form signed by the seller. The Listing Brokerage shall provide a copy of the signed form to each Cooperating Brokerage and unrepresented buyer as soon as possible, but at the latest within one (1) calendar day after acceptance of one (1) offer, or rejection of all offers, as the case may be.

A copy of the seller's written instruction obtained under subsection (a) shall be provided to the Cooperating Brokerage upon request.

SECTION 5 – SALES

5.01 Reporting Sales

- (a) The Listing Brokerage is responsible and accountable for the accuracy of sales information submitted to the Board for inclusion in the Board's MLS[®] System. IT SHALL BE THE RESPONSIBILITY OF THE LISTING BROKERAGE TO CHECK ALL SALES AFTER THEY HAVE BEEN PUBLISHED ON THE MLS[®] SYSTEM AND TO ENSURE THEIR COMPLETE ACCURACY.
- (b) Sale prices must be reported exclusive of taxes.
- (c) An important part of the inherent value of the MLS[®] System is the transaction data accumulated for sales of listed properties. It is the responsibility of all Members to ensure, regardless of their business model, that property sales information for properties listed on the MLS[®] System be reported to the Board. In general, sales shall be reported to the MLS[®] Department by the Listing Brokerage, on the Sales Report Form together with a legible copy of the Contract of Purchase and Sale within five (5) calendar days of the contract becoming unconditional. Members are not permitted to avoid these reporting responsibilities by, for example, cancelling a listing between receipt (or anticipated receipt) and acceptance of an offer, or encouraging a seller to do so.
- (d) A Sales Report Form signed by the Managing Broker or designate of the Listing Brokerage is required for the reporting of sales. A legible copy of the Contract of Purchase and Sale, including all Addendums and Amendments, must be submitted along with the Sales Report Form.
- (e) Sales may not be Listing Brokerage Loaded.
- (f) The Privacy Notice and Consent form shall be provided to every buyer and a signed receipt retained on file in the office of the Cooperating Brokerage, as evidence of the Cooperating Brokerage's efforts to comply with the *Personal Information Protection Act*. Where the buyer refuses to sign, a notation to that effect, including the date the form was provided to the buyer and by whom, shall be retained on file in the office of the Cooperating Brokerage. The Cooperating Brokerage shall produce any such documentation upon request by the Listing Brokerage or the Board.

5.02 Collapsed Sales

The Listing Brokerage must notify the MLS[®] Department immediately of the collapse of any sale, using the form approved by the Board. Where the Cooperating Brokerage has first knowledge of the collapse of a sale, they shall immediately notify the Listing Brokerage.

SECTION 6 – PROFESSIONAL CONDUCT

6.01 Cooperating Brokerages

Unless otherwise authorized by the seller in writing:

- (a) a Cooperating Brokerage is not a sub-agent to the Listing Brokerage and is presumed to be the agent of the buyer; and
- (b) communication between Cooperating Brokerages and the seller must be limited to arranging appointments as designated in the published listing and showing the listed property with appropriate assistance, during the term of the listing.

6.02 Appointments

- (a) Appointments by Cooperating Brokerages to inspect or show property may not be made directly with the seller unless otherwise specified on the data input form and published listing information; and
- (b) Cooperating Brokerages must ensure that the buyer(s) is accompanied and supervised by a licensee throughout the appointment.

6.03 Title Searches

Unless otherwise instructed by the seller in writing, a Listing Brokerage shall, upon request from a Cooperating Brokerage, provide a copy of the basic search to the Cooperating Brokerage for its use. A copy of the search posted to the MLS[®] System would satisfy the Listing Brokerage's obligation under this Rule.

6.04 Strata Properties

- (a) Unless otherwise instructed by the seller in writing, for each strata MLS[®] listing, the Listing Brokerage shall at the time of taking the listing obtain current relevant strata corporation documents including but not limited to two (2) years of strata council minutes and strata corporation minutes, registered strata corporation by-laws, financial statements, registered strata plans, and information concerning special assessments, either proposed or levied.
 - (i) A copy of the Request for Strata Corporation Records and Documents shall be retained on file in the office of the Listing Brokerage. The Listing Brokerage shall produce any such documentation upon request by the Board.
 - (ii) Unless otherwise instructed by the seller in writing, a copy of the registered strata plan must be posted by the Listing Brokerage to the MLS[®] System as an associated document within 24 hours of the listing becoming active on the MLS[®] System. A copy of the seller's written direction must be posted by the Listing Brokerage to the MLS[®] System as an associated document within 24 hours of the listing becoming active on

the MLS® System. -- see also 3.12 Consent to Post Documents to the MLS® System

- (b) Unless otherwise instructed by the seller in writing, the Listing Brokerage shall, upon request by a Cooperating Brokerage after the seller and buyer have an accepted Contract of Purchase and Sale, provide to the Cooperating Brokerage current relevant strata corporation documents including but not limited to those documents referred to in (a) above and a current Information Certificate (Form “B”).
- (c) In the event that the Listing Brokerage has received written instructions from the seller not to provide all or some of the documents described in (a) and (b) above to buyers and Cooperating Brokerages, a notation to that effect must be included in the REALTOR® Remarks, and, where the seller is not providing such information directly to buyers and Cooperating Brokerages, the Listing Brokerage shall provide written authority from the seller to the Cooperating Brokerage to obtain the Form “B” and other pertinent information directly from the strata corporation. The responsibility for the cost of these documents should be detailed in the appropriate condition clause in the Contract of Purchase and Sale.

6.05 No Solicitation Prior to Expiry

Listings and other agency contracts expire automatically at 11:59 p.m. on the expiry date shown on the contract. Before this time any Member other than the Brokerage under contract is EXPRESSLY FORBIDDEN TO SOLICIT SUCH CONTRACT or encourage any alteration in the existing contract.

6.06 Privacy-Protected Listings

No Member shall use MLS® listing information for the purpose of communicating with a seller of an MLS® listing to determine whether the seller requires additional real estate services when that seller has expressly opted-out of their personal information being used for this purpose.

Where the seller has opted-out of this purpose, a copy of the Privacy Notice and Consent form indicating such opt-out must be submitted to the Board without delay.

6.07 Solicitation Guidelines

A Member shall not solicit a listing that is currently listed exclusively (hereinafter “exclusively listed” or “exclusive agreement” refers to an Exclusive listing and MLS® Exclusive listing) with another brokerage. However, if the Listing Brokerage, when asked by a Member, refuses to disclose the expiration date and the nature of such listing (i.e. an exclusive right to sell, an exclusive relationship, an open listing or other form of contractual agreement between the Listing Brokerage and the client), the Member may contact the owner to secure such information and may discuss the terms upon which the Member might take a future listing.

RULES of COOPERATION of the CADREB, FVREB and REBGV

A Member shall not solicit buyer/tenant representation agreements from buyers/tenants who are subject to exclusive buyer/tenant representation agreements. However, if a buyer/tenant agent, when asked by a Member, refuses to disclose the expiration date of the exclusive buyer/tenant representation agreement, the Member may contact the buyer/tenant to secure such information and may discuss the terms upon which the Member might enter into a future buyer/tenant representation agreement.

The fact that an agreement has been entered into with a Member shall not preclude or inhibit any other Member from entering into a similar agreement after expiration of the prior agreement.

When Members are contacted by the client of another Member regarding the creation of a relationship to provide the same type of service, and Members have not directly or indirectly initiated such discussions, they may discuss the terms upon which they might enter into a future agreement.

The above-mentioned rules do not preclude Members from making general announcements, messages or advertisements (hereinafter referred to as “general announcements” or “announcement”) to prospective clients describing their services and the terms of their availability even though some recipients may have entered into representation agreements with another Member, provided such general announcements include a clear, prominent and emphasized statement that the announcement is not intended to cause or induce breach of an existing agency agreement. A general canvass, general mailing or distribution addressed to all prospective clients in a given geographical area or in a given profession, business, club or organization, or other classification or group, is deemed “general” for the purposes of this rule if it is a mass-produced announcement in identical form to the general public, or an identifiable group of the public, whether communicated by radio, television, newspaper, flyers, form letters (even though personally addressed) or computerized telephone messages.

This rule recognizes as prohibited practices two basic types of solicitation:

- (a) telephone and/or personal solicitations of property owners who have been identified by a real estate sign or information on a real estate data base service operated under the MLS® or associated trademarks, or other information, as having exclusively listed their property with another Member; and
- (b) mail or other forms of written solicitations of prospective clients whose properties are exclusively listed with another Member (whether listed under an “Exclusive” or “MLS®” agreement) when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilations of current listings on the MLS® System or identified by “for sale” or “for rent” signs or other sources of information.

Members, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the client is subject to a current, valid exclusive agreement to provide the same type of real estate service.

This rule does not preclude Members from contacting the client of another brokerage for the purpose of offering to provide, or entering into a listing arrangement where the original and current Listing Brokerage has negotiated a cancellation clause with the seller, and the seller has not otherwise indicated he/she does not wish to be solicited during the term of that contract.

This rule does not preclude Members from contacting the client of another brokerage for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g. property management as opposed to brokerage). However, real estate database information received through the MLS[®] System may not be used to target clients of other Members to whom such offers to provide services may be made.

6.08 Professional Conduct

- (a) A Member shall not conduct themselves nor permit their employees to conduct themselves in such a manner as to prejudice their own reputation or the reputation of the Board.
- (b) A Member shall not injure falsely or maliciously, directly or indirectly, the reputation, prospects or business of another Member.

6.09 Restrictions on Handling Payments in Real Estate Transactions

- (a) Prohibition on Accepting Cash Deposits
 - (i) “Cash” means legal tender of Canada or another jurisdiction (i.e. bills and coins) and does not include cheques, electronic fund transfers or money orders.
 - (ii) A Member must not accept a deposit of any amount from or on behalf of any party to a real estate trading services transaction, excluding deposits paid in respect of the rental or leasing of real estate, if the deposit (or any portion thereof) is paid in cash.
 - (iii) Every Member is responsible to be aware of, and ensure full compliance with applicable obligations under the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* and associated Regulations, in accordance with guidelines provided by FINTRAC.
- (b) Prohibition on Use of Cryptocurrency

A Member must not accept cryptocurrency as a form of payment in any real estate transaction

SECTION 7 – COMMISSION

7.01 Commission Stated in Listing Contract

All contracts must show the amount of commission payable as negotiated by the Listing Brokerage and the seller. That portion of the Listing Brokerage's commission available to Cooperating Brokerages must be shown on the listing contract.

7.02 Reference to Commission in Remarks

References to commission or bonuses are restricted to the appropriate commission field and may not be included in REALTOR®, Public or Internet Remarks.

7.03 Disclosure of Reduced Commission

Where the Listing Brokerage is presenting its own offer in competition with one or more Cooperating Brokerages, and the Listing Brokerage is reducing the commission from that stated in the MLS® Listing Contract, the Listing Brokerage shall disclose in writing the dollar amount and details of any such reduction to all Cooperating Brokerages with competing offers, in order that such competing agents shall not be at a disadvantage and the seller shall receive the full benefit of competition from such Cooperating Brokerages.

7.04 Commission Payable to Cooperating Brokerage upon Completion

Where a particular transaction completes, that portion of the Listing Brokerage's commission available to Cooperating Brokerages is payable to the Cooperating Brokerage upon completion unless the Listing Brokerage and Cooperating Brokerage mutually agree, in writing, to alter said commission.

7.05 Commission Payable to Cooperating Brokerage where Sale does not Complete

Where a particular transaction does not complete, and the Listing Brokerage is successful in receiving payment of, or compensation in lieu of, some or all of the commission, the Cooperating Brokerage shall, at the Cooperating Brokerage's option, after the Listing Brokerage has deducted its reasonable costs incurred to recover the commission, receive its proportionate share. The receipt of such payment or compensation by the Listing Brokerage shall be deemed to be a completed transaction for the purposes of the Board's By-laws.

7.06 Assignment to Cooperating Brokerage

When the owner of a property listed with a Member does not complete as agreed pursuant to an accepted unconditional Contract of Purchase and Sale and the Listing Brokerage does not take steps to enforce payment of commission which may be due, the Listing Brokerage shall, upon receipt of the written demand of the Cooperating Brokerage, assign to the Cooperating Brokerage all of the rights of the Listing Brokerage to enforce the listing contract.

7.07 “Two Cheque System” of Commission Disbursement

- (a) A real estate company holding a trust deposit in a finalized transaction deducts an amount equal to its portion of the commission owing on completion to that company from the deposit held and forwards the balance of any excess deposit under trust to the named conveyancer; or
- (b) the company holding the trust deposit will send a request to the conveyancer for any balance owing if the deposit being held in trust is less than the amount equal to that company’s portion of the commission owing; and
- (c) upon completion, the conveyancer forwards the commission owing to any companies from the proceeds of the sale.

7.08 Modification of Listing Brokerage’s Offer of Compensation

A Cooperating Brokerage, when negotiating on behalf of a buyer, may only use the terms of an offer to purchase to modify the Listing Brokerage’s offer of compensation to Cooperating Brokerages if:

- (a) the buyer has authorized the Cooperating Brokerage to do so in a separate written document; and
- (b) there has been prior consultation regarding compensation between the Cooperating Brokerage and the Listing Brokerage.

A Cooperating Brokerage, after publication on the MLS® System of the sale of that property, may advertise their involvement in the sale of that property and may include in such advertisement only MLS® Reciprocity Data as described in these Rules of Cooperation. Any advertising by a Cooperating Brokerage of a sold property must include the name of the Listing Brokerage.

8.06 Advertising of Sale Price

A sale price shall not be advertised prior to that information being publicly available through a government registry, unless prior approval is provided by both buyer and seller in writing.

8.07 "SOLD" Signs

The privilege of placing "SOLD" signs on a property within the jurisdictional area of the Board shall be at the discretion of the seller. The Cooperating Brokerage may, through the Listing Brokerage, request permission from the seller to place a sold sign on a property subject to all local government signage regulations.

8.08 Public Representations

Any advertisement, publication or other form of public representation made by or on behalf of any Member must be factual and clearly demonstrate the criteria upon which such representations are based including, without limitation, the period of time over which such representations are based.

An MLS® VOW Participant may operate an MLS® VOW through an MLS® VOW Service Provider who has entered the prescribed third-party agreement with the Board and who has acknowledged receipt of MLS® VOW policies of the Board applicable to MLS® Service Providers, subject to their overview, supervision and responsibility. An MLS® VOW may not display listings or property addresses of any seller who has affirmatively directed the Listing Brokerage to withhold the seller's listing or property address from display on the Internet.

- (a) The Listing Brokerage shall communicate to the Board that the seller has elected not to permit display of the listing or property address on the Internet. The seller may make this election at the time of listing, and may only change the election at the discretion of the Board.
- (b) The Board will thereafter identify that listing and that listing shall not be made available to Registrants.

RULES of COOPERATION of the CADREB, FVREB and REBGV

any MLS® VOW has been the cause of, or permitted a breach in, the security of the MLS® Data or a violation of applicable Rules, including these Rules; and

9.32 Use of Internet

The MLS® VOW Participant acknowledges that there are certain security, corruption, transmission errors, and access availability risks associated with using open networks such as the Internet, and the MLS® VOW Participant hereby expressly assumes all such risks.

The Board

9.33 Board monitoring

MLS® VOW Participants must make the MLS® VOW directly accessible to the Board for purposes of monitoring and ensuring compliance with the Board's rules, bylaws, regulations and policies including all Rules of Cooperation. Without limiting the generality of the foregoing, for security, monitoring and network maintenance

purposes, and the like, at any time, the Board is authorized, but not obligated, to monitor and access applications and systems, monitor network traffic and usage, and to obtain full access to MLS® VOWs and systems to ensure that any information transmitted through an MLS® VOW Datafeed is displayed in accordance with these Rules. MLS® VOW Participants shall agree to render reasonable assistance and cooperation to the Board if so requested in connection with this section 9.33.

9.34 Powers of the Board

If the Board has reason to believe there has been or will be a breach in the security of an MLS® VOW Data or a violation of the Board's bylaws, regulations, guidelines and policies including all Rules of Cooperation related to its use, the MLS® VOW Participant shall, upon request, provide to the Board a copy of the record of the name, e-mail address and user name of each Registrant, or those Registrants identified by the Board to be suspected of involvement in the violation.

CREA Appendix "A" Rules and Regulations

Revised March 2010

RULE XVII OPERATION OF A BOARD'S MLS® SYSTEM

Interpretations of Rule XVII:

1. The listing REALTOR® shall be available to provide professional advice and counsel to the seller on all offers and counter offers unless otherwise directed by the seller in writing.
2. The listing REALTOR® is responsible and accountable for the accuracy of information submitted to a Board/Association for inclusion in the Board's MLS® System, and the Board/Association is responsible for ensuring that the data submitted to it meets reasonable standards of quality.
3. Only REALTORS® are permitted to display the MLS® trademarks in signage, advertising, etc.
4. Where the seller directs the listing REALTOR® in writing to do so, the seller's contact information may appear in the REALTOR® only remarks (non-public) section of a listing on a Board/Association's MLS® System. The seller's contact information shall not appear on REALTOR.ca or in the general (public) remarks section of a listing on a Board/Association's MLS® system. The listing REALTOR® may include a direction in the General Description section on REALTOR.ca or on websites operated by CREA or a Board/Association to visit the REALTOR® website to obtain additional information about the listing (but the nature of such additional information shall not be specified).
5. Where the seller has reserved the right to sell the property himself/herself, that fact shall be specified in the Board/Association's MLS® System.

REALTOR® Cooperation Policy

Amended: March, 2023

Rationale:

This Policy seeks to reinforce the importance of cooperation as a key component of organized real estate and the value of MLS® Systems. REALTOR® cooperation increases the level of professionalism of REALTORS®, better serves consumers and strengthens the MLS® Brand. MLS® Systems are efficient and effective cooperative selling systems that benefit both REALTORS® and consumers. Placing a listing on MLS® Systems increases the exposure of listings to a broad group of REALTORS® and their buyer clients, providing them access to a more complete inventory of homes that may meet their needs. From a seller's perspective, a listing with greater exposure on MLS® Systems may increase the number of offers received and improve the chances of receiving the most competitive offers for their home.

The use of limited exposure marketing tactics diminishes the efficiency, value and benefits that MLS® Systems provide to REALTORS® and consumers. Failure to place a listing on MLS® Systems not only undermines the best interest of clients, but also the value of the MLS® Systems which is based in large measure on the number of properties listed on the systems. Withholding listings results in a smaller number of listings available for cooperative selling which diminishes the value of the systems for both REALTORS® and their clients, contrary to the very purpose of membership in a cooperative selling system.

As REALTORS® have a legal obligation to act in the best interests of their clients, which is also provided for in the REALTOR® Code, this policy requires REALTORS® to place their listings on Board/Association MLS® Systems within a brief time after the property has been first publicly marketed, ensuring that all REALTORS® and their clients have equal access to the most comprehensive property information available on MLS® Systems during the home buying and selling process.

Policy:

1. "Public Marketing" means the representation or marketing of a listing to the public or anyone not directly affiliated with the listing brokerage/office in a business capacity. For clarity, Public Marketing does not include one-to-one direct communication with a REALTOR® unaffiliated with the listing brokerage/office. Public Marketing includes any representation regarding the sale of a property, including but not limited to, flyers, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW) and onsite brokerage promotion, digital communications marketing (i.e., email blasts, newsletters, social media posts), multi-brokerage listing sharing networks, and applications available to the general public.

2. Within three (3) days of Public Marketing, REALTORS® must place the listing on an MLS® System for cooperation with other REALTORS®.
3. The following listings are exempt from the requirements of paragraph 2 above:
 - a. Commercial property listings (i.e., business properties, agricultural properties);
 - b. New construction listings in developments with multiple properties or units (i.e., residential development projects, condo development projects); and
 - c. Rental property listings.
4. REALTORS® must disclose to the seller in writing the benefits of listing their property on an MLS® System, specifically that an MLS® System:
 - a. provides greater exposure to more potential buyers,
 - b. may result in more offers received, and
 - c. may result in better offers, in terms of price, terms and conditions of sale.
5. If a seller decides to forego placing their listing on an MLS® System the seller must provide written confirmation of this decision to the listing REALTOR®, which shall include:
 - a. a specific instruction not to engage in Public Marketing of their property, and
 - b. an acknowledgement that declining to place their property on an MLS® System:
 - i. may result in reduced exposure to the pool of potential buyers,
 - ii. may result in a lower number of offers received, and
 - iii. may limit the seller's ability to receive the most favourable offers in terms of price, terms or other conditions of sale.
6. Notwithstanding an instruction from the seller not to engage in Public Marketing, in the event that any Public Marketing of the listing occurs REALTORS® must place the listing on an MLS® System within three (3) days as set out in section 2 above.

Enforcement:

7. Boards and Associations operating MLS® Systems must adopt and enforce this Policy in their MLS® System Rules or an equivalent policy. Boards and Associations may adopt more stringent rules and requirements than those contained in this Policy, provided they are not inconsistent with this Policy or applicable legislation.

Transition:

8. This Policy will come into force on January 3, 2024.
